Ranking system

The time (per category) is decisive in determining eligibility for a star award badge. Therefore, both a Blue King as well as a Blue Star may receive the 1 Star or 2 Star award, providing the skier achieves the target time +25% or the target time +10%. The same applies to the Thursday race on Winteregg. Skiers eligible for stars are noted on the ranking list and the award badges can be obtained at the Ski School office for **CHF 8.50 or CHF 9.50.**
